# Exit Survey Form

**KHWAJA FAREED UEIT RAHIM YAR KHAN** | **Faculty of Engineering**

# Department of Computer Engineering

**EXIT SURVEY FORM**

Congratulation for completing BS Computer Engineering at Khwaja Fareed University of Engineering and Information Technology. Department of Computer Engineering wants from you to determine your level of satisfaction about the learning process and academic program during your valuable stay. We value your input to further improve the quality of education.

Please specify your observed score in satisfaction given below on the basis of the following scale below;

| Highly Unsatisfied = 1 | Unsatisfied= 2 | Uncertain= 3 | Satisfied= 4 | Highly Satisfied= 5 |
|---|---|---|---|---|

| Questionnaire | Score(1~5) |
|---|---|
| 1. Are you satisfied with the gained theoretical, practical knowledge and comprehensive skills in the BS Computer Engineering Program? | |
| 2. Does this BS Computer Engineering Program at KFUEIT has indigenous resource to develop ability to identify, formulate and analyze the computer engineering problems? | |
| 3. Does this program develop ability to design or develop solutions for complex computer engineering problems? | |
| 4. Has the BS Computer Engineering program advanced your knowledge to investigate, conduct experiment, interpret experimental data, and synthesis information to derive valid conclusion? | |
| 5. How good you are in learning and using modern tools likewise Computer Engineering software, Information technology tools? | |
| 6. Are you capable of understanding the societal issues and understand your responsibilities for the complex engineering problems? | |
| 7. Do you feel the capability to understand the effect of engineering solutions in societal and environmental situations and changes for a sustainable development? | |
| 8. Does this program has sufficient mechanism to inculcate moral and ethical values in its graduates? | |

| | |
|---|---|
| 9. Has this program enhanced your capabilities to work in a group as a team member or individual? | |
| 10. Effective communication such as oral, written etc., are very necessary in the field of engineering. Where do you find yourself? | |
| 11. In near future, you will be required to manage different project activities in your practical life. Do you feel this program polished your capabilities to manage things? | |
| 12. Does this program develop a sense of innovation and technological development in its graduate students to be able to cope with ever evolving challenges? | |
| 13. Do you think BS Computer Engineering Program is very tough and induces a lot of mental stress? | |
| 14. Is the environment favorable in learning the courses/subjects and new things? | |
| 15. Are you satisfied with the infrastructure and allotted rooms of Computer Engineering Department? | |
| 16. Are you satisfied with the co-curricular and extra-curricular activities? | |
| Any additional observation and comments you like to share with us: | |
